

SENIORWEB

Mission SeniorWeb

Participation Elderly Citizens
(50+) in the new information
society (starters and advanced
students)

For and by Elderly Citizens
Development alone or with
50+ers in the association or as a
volunteer

The challenge

There are more than 5,3 million senior citizens in the Netherlands (50+)

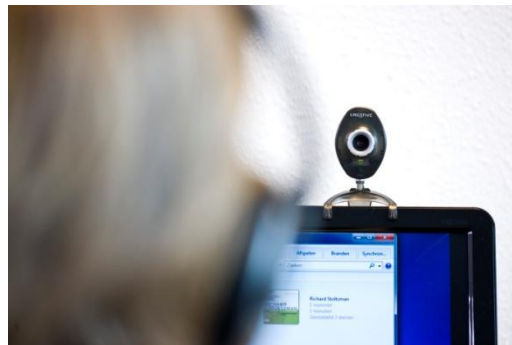

60% are on line

40% are not online (2 million)

Trends

- Other requirements (starting) student
- New computer operating systems
- Social Media coming up
- Tablets, smartphones and e-readers (new devices)
- Mobility more important
